Welcome

Summer will be on its way soon and Ankeny Community Engagement couldn't be happier. It is always a pleasure to bring instructors and students together, and you can find some of your favorite camps to help melt the winter blues away. Get the kids moving with fencing and exercising their mind writing, building, and playing chess.

We aim to assist your summer planning with our week-by-week schedule. Popular youth camps from robotics and writer's workshop to space exploration and project runway are back. There are also a few new options ready to enrich your child's vacation. The Wagner Summer Theater group is offering three camps that let students find center stage, and Little Creators Club helps children bring out creativity by designing and building their very own board game.

Whichever opportunities you may decide on, we hope you find just the right fit for your family this summer. Our goal is to help provide safe and rewarding experiences for our students of all ages.

June 5 - 9

Space Camp

Join us for an exciting fun-filled week of astronaut missions, spacecraft design, lunar robot coding and more. In this play and learn style camp, students will be having a blast while exploring various STEM concepts including engineering design, coding, geology, physics and astronomy. We will also be highlighting famous astronauts, aerospace engineers and mathematicians! Students will also be developing critical thinking and leadership skills while putting their creativity to work.

Grades 1 - 5

Instructor: TigerLily STEM

#428227: Mon - Fri, 6/5 - 6/9; **\$174**

9:00 AM - 12:00 PM Northeast Art Room

Amazing Architects

Do you love building and designing things? Join us for a fun hands-on camp where we will be creating blueprints, learning about architectural features, exploring scale and building a model of our dream house.

Grades 3 - 5

Instructor: TigerLily STEM

#428228: Mon - Fri, 6/5 - 6/9; **\$174**

1:00 PM - 4:00 PM Northeast Art Room

{YEL!} Fencing

New and returning students invited!

Join this fast-paced, inclusive (everyone participates) Olympic Sport. The {YEL!} Teach It! Practice It! Play It!® approach teaches fencers new skills each class, practices those skills in kid-friendly fencing games, and then encourages students to use those skills in fencing bouts (matches). All equipment provided. Sign up today!
Instructor: Youth Enrichment League

GRADES 2 - 6

#428264: Mon, 6/5 - 6/9; **\$169**

9:00 AM - 12:00 PM Parkview Commons

GRADES 6 - 12

#428267: Mon, 6/5 - 6/9; **\$169**

1:00 PM - 4:00 PM Parkview Commons

{YEL!} Chess Camp

All levels welcome. The {YEL!} Teach It!... Practice It!...Play It! method keeps chess students progressing with 60+ chess lessons and thousands of puzzles as well as guided games and an end-of-week in-class tournament. Class fee includes ChessKid.com membership for the session. Battle summer brain drain...sign up today.
Grades 1 - 5

Instructor: Youth Enrichment League

#428317: Mon - Fri, 6/5 - 6/9; **\$155**

9:00 AM - 12:00 PM Crocker Lunchroom

Safety Town

June 5 - 9 and June 12 - 16

Safety Town is a week-long opportunity for children entering kindergarten in the fall. Each session includes interactive instruction for biking, traffic, pedestrian, fire, 911, stranger danger, boating, camping, bus, poison, gun, internet, weather, and personal safety. It's a fun and exciting way for children to learn about safety strategies. Each child needs to bring a bike helmet and water bottle.

Grades: Entering Kindergarten

Instructor: Mandy Snyder

#429195: Mon - Fri, 6/5 - 6/9; **\$75**

9:00 AM - 11:30 AM East Elementary

#429196: Mon - Fri, 6/12 - 6/16; **\$75**

9:00 AM - 11:30 AM East Elementary

June 12 - 16

Movie Makers

This hands-on, interactive course will instruct students on the world of digital video design and production. Students will film, direct, and edit their own digital video creations. Students enrolled in this course will amaze their peers with green screen and special effects work.

Grades 4 - 11

Instructor: Youth Tech Inc

#428183: Mon - Thur, 6/12 - 6/15; **\$155**

9:00 AM - 12:00 PM Heritage Media Center

Video Game Design

This course provides students with a fun interactive look at the world of video game design and development. Students enrolled in this camp will learn the basics of video game design and produce several different interactive video games to share with their friends and family.

Ages 10 - 17

Instructor: Youth Tech Inc

#428188: Mon - Thur, 6/12 - 6/15; **\$175**

1:00 PM - 4:00 PM Heritage Media Center

All links in this digital catalog are active. Click to follow the link.

Eureka Engineering

Eureka Engineering introduces students to the core skills of robotics and STEM through engaging, hands-on learning opportunities. Student groups will work with Lego® Mindstorm kits, which include both electrical and mechanical components. The small groups will be mentored by experienced and passionate instructors. Parents are welcome to watch their child's robotic creations come to life in exciting and competitive challenges including drag racing, fighting robots and more!
 Grades 3 - 8
 Instructor: COR Robotics

LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

#428154: Mon - Wed, 6/12 - 6/14; **\$100**
 9:00 AM - 12:00 PM Ashland Ridge

RC Wars

In RC Wars, teams of students will build their own Remote Control vehicles to race and battle against other teams. Students will need to design their vehicles to not only be faster and stronger than other teams' creations, but also better than purchased RC Cars! RC Wars will feature land races, obstacle courses, and more as students learn mechanical and electrical building skills in an energetic and exciting environment.
 Grades 4 - 9
 Instructor: COR Robotics

#428158: Mon - Wed, 6/12 - 6/14; **\$100**
 1:00 PM - 4:00 PM Ashland Ridge

NEW Theater in the Park

Fairies? Zombies? Thieves? Scientists? Mermaids? Werewolves? Pirates? Villians? Royalty? Anything goes!!

Kids will create their own short theatrical production from script to performance! Campers will spend the week both inside and outside inventing their own story, developing characters and creating a script. They will also practice audition techniques. We will then work to make a set, props and costumes. Students will get an introduction to all aspects of theater including stage and use of space, learning how to use their speaking voice, beginning acting techniques and a glimpse into all of the collaboration that goes on behind the scenes of a theatrical production. There will be game playing to introduce concepts and art projects to create sets and props. We will use all of their fun creative ideas to create a show for parents. We will showcase our hard work at the end of the week in a nearby park. Bring your picnic blanket and charcuterie and enjoy a warm summer evening watching our original production. For more information please go to www.wagnersummertheater.com.
 Grades 1 - 5
 Instructor: Wagner Summer Theater

#428036: Mon - Fri, 6/12 - 6/16; **\$175**
 9:00 AM - 12:00 PM Northview Auditorium

Flight School

It's a bird, it's a plane, it's Flight School Camp! From rockets to kites and planes to birds, if it flies, we will be exploring it during this fun, hands-on camp! Join us as we learn all about physics, engineering, technology, biology and more as they relate to flight through games, crafts, experiments and engineering design challenges.
 Grades 1 - 5
 Instructor: TigerLily STEM

#428233: Mon - Fri, 6/19 - 6/23; **\$174**
 9:00 AM - 12:00 PM Northeast Art Room

Extreme Engineers

LEGO® bricks are used to challenge every aspect of your child's creativity and intellect while learning the basics of engineering and physics. Each class of students are given a different project to build, test and modify. Then they use these projects to investigate basic engineering concepts. Emphasis is placed on hands-on experiential activities and kid friendly lesson plans. Join this dynamic exploration of machines and mechanisms today! See YouthEnrichmentLeague.com for more details.

Entering Grades 1-3
 Instructor: Youth Enrichment League

LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

#428274: Mon - Fri, 6/19 - 6/23; **\$137.50**
 9:00 AM - 12:00 PM Crocker Elementary

School of Wizardry Camp

Is it magic, or is it science? Join us for an exciting week full of wizardry-inspired STEM activities, including chemistry experiments, engineering design challenges, coding, crafts, games and more. Muggles welcome.
 Grades 3 - 6
 Instructor: TigerLily STEM

#428240: Mon - Fri, 6/19 - 6/23; **\$174**
 1:00 PM - 4:00 PM Northeast Art Room

Board Game Builders

Learn the basics of board game design over the course of the week and build your very own board game! This creative and exciting program uses elements of STEAM to break down a big project into bite-sized pieces for your child to make a playable board game.
 Grades 2 - 6
 Instructor: Little Creators Club

#424363: Mon - Fri, 6/19 - 6/23; **\$119**
 9:00 AM - 12:00 PM Heritage Media Center

June 26 - 30

Writer's Workshop

In this course, your child will have fun engaging in different writing styles and types. From blogs to persuasive pieces (Haven't you always wanted to hear exactly WHY they need a cell phone in 4th grade?), your child will have time to get their creative juices flowing. This course will be taught by a Sylvan Certified Writing teacher who will arm your child with great foundational skills for back to school success (or to beat summer boredom).

Grades 1 - 5

Instructor: Sylvan Learning

#428153: Mon - Fri, 6/26 - 6/30; **\$150**
1:00 - 3:00 PM Heritage Media Center

Summer Science Camp

Join us for a fun week full of exciting summer inspired STEM learning! With activities including pool chemistry, exploring the light spectrum, building challenges, summer-inspired crafts and games, solar energy, and more!

Grades 1 - 5

Instructor: TigerLily STEM

#428242: Mon - Fri, 6/26 - 6/30; **\$174**
9:00 AM - 12:00 PM Northeast Art Room

Red, White & Blue STEM For You

In this Fourth of July-themed camp, we will be having a blast with hands-on STEM activities, crafts and games. We will be exploring the different colors in fireworks, designing carnival rides and making flag-inspired crafts. Please wear clothes appropriate for hands-on activities and outdoor games.

Grades K - 5

Instructor: TigerLily STEM

#428244: Wed - Fri, 6/28 - 6/30; **\$112**
1:00 PM - 4:00 PM Northeast Art Room

Project Runway

Sweet summer projects! A swimsuit coverup, mini messenger bag, earbud case and your personalized sewer's handbook. No experience necessary. Students will make, showcase, and take home all their projects. Hand and machine sewing techniques are taught with SAFETY FIRST always in mind. The final day is a showcase where friends and family are invited to see the projects in action. Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.

Grades 4 - 8

Instructor: Youth Enrichment League

#428308: Tue - Fri, 6/27 - 6/30; **\$175**
9:00 AM - 12:30 PM EAST Lunchroom

#428313: Tue - Fri, 6/27 - 6/30; **\$175**
1:00 PM - 4:30 PM EAST Lunchroom

Robotics Evolution

Students work in small groups of 2-3 and build multiple robots with sensors, program them to complete tasks like delivering food, cleaning nature, or reuniting animal friends. {YEL!}'s Teach It! Practice It! Play It!® classroom method emphasizes 21st Century Learning skills like STEM, teamwork, and problem solving.

Grades 4 - 8

Instructor: Youth Enrichment League

NOTE: This course is a fantastic primer if you are interested in gaining experience for the FIRST® LEGO® League annual robotics competition. LEGO is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program. FIRST is also a trademark. FIRST does not sponsor, authorize or endorse this site or program.

#428298: Mon - Fri, 6/26 - 6/30; **\$187.50**
9:00 AM - 12:30 PM Crocker Elementary

Robotics 2.0

Build a dragster, a spy robot, and a moon rover. Then program the dragster to race, the rover to roam, and the spy bot to...well, spy. {YEL!}'s Teach It! Practice It! Play It!® classroom method emphasizes 21st Century Learning skills like STEM, teamwork, and problem solving. Sign up today! Visit YELKids.com for more information.

Grades 1 - 5

Instructor: Youth Enrichment League

LEGO® is a trademark of the LEGO Group of companies which does not sponsor, authorize or endorse this site or program.

#428284: Mon - Fri, 6/26 - 6/30; **\$150**
1:00 PM - 4:00 PM Crocker Elementary

July 10 - 14

Intro To Game Design

If you like playing video games, you'll love designing them! Trained instructors will teach students how to program their own video games using an engaging program called Kodu. They will create their own world, populate it with characters, and then play the games they create during class. Students will learn important programming skills while having tons of fun, with no prior experience needed!

Grades 3 - 8

Instructor: COR Robotics

#428161: Mon - Wed, 7/10 - 7/12; **\$100**
9:00 AM - 12:00 PM Heritage Media Center

Intro To Esports

Turn your passion for video games into valuable life skills! We will introduce the world of Esports and teach students about the many opportunities available to them by getting involved. Students will get to play some of the most popular Esports games, compete with and against each other in tournaments, and learn important lessons along the way.

Grades 3 - 8

Instructor: COR Robotics

#428175: Mon - Wed, 7/10 - 7/12; **\$100**
1:00 PM - 4:00 PM Heritage Media Center

{YEL!} Chess Camp

All levels welcome. The {YEL!} Teach It!... Practice It!...Play It! method keeps chess students progressing with 60+ chess lessons and thousands of puzzles as well as guided games and an end-of-week in-class tournament. Class fee includes ChessKid.com membership for the session. Battle summer brain drain... sign up today. Grades 6 - 10
Instructor: Youth Enrichment League

#428321: Mon - Fri, 7/11 - 7/15; **\$155**
1:00 PM - 4:00 PM Crocker Lunchroom

Destination Mars: Rocketry

Launch and watch as your very own rocket speeds 300 feet into the air! Then it is yours to take home! Students will make and take home multiple rockets of varying difficulty throughout this session. We will use these rockets and airplanes to investigate basic aeronautical concepts including: propulsion, thrust, lift, drag and more. We will also hypothesize about travel in outer space, how to get a United States astronaut to Mars and life on Mars.

NOTE: Parents will be asked to contribute two, 2 liter soda bottles (empty) per student for 2 different experiments.

Grades 2 - 5
Instructor: Youth Enrichment League

#428329: Mon - Fri, 7/17 - 7/21; **\$175**
9:00 AM - 12:00 PM Crocker Lunchroom

NEW IMPROV Comedy Games

This class will introduce students to the concept of improv. They will learn games, techniques, and put a twist on their improv performance. Teams will be created and the performance will consist of a little competitive improv fun; we will even have a referee! We will work toward putting together a performance at the end of the week for parents!

For more information please go to www.wagnersummertheater.com.

Grades 6 - 8
Intrcutor: Wagner Summer Theater

#428050: Mon - Fri, 7/17 - 7/21; **\$175**
6:00 PM - 9:00 PM Northview Auditorium

All Community Engagement classes have a minimum number of students necessary to run each class. Registration closes three business days before the first day of class, so be sure to sign up today!

July 17 - 21

Arcade Game eSports

This class gives students a look at online game development and puts them in the driver's seat of simple game creation. Students in this course will develop online games including arcade style, platform and other interactive games that they can publish and share online. Students will also use their games in an eSport setting and complete like real gamers.

Grades 1 - 7
Instructor: Youth Tech Inc

#428218: Mon - Thur, 7/17 - 7/20; **\$130**
9:30 AM - 12:00 PM Heritage Media Center

Robotics-Battle Bots

This course offers hands-on opportunities to build and program robots. Working in small teams, students will design robotics systems to compete in fun real-world activities. Each day will bring a new challenge, and your team's robot will have to morph to better adapt and compete. Students will compete in the battle bots competition at the end of the camp to prove their robot is the best.

This class is perfect for the student who has a big imagination and likes to build things
Grades 2 - 9
Instructor: Youth Tech Inc

#428224: Mon - Thur, 7/17 - 7/20; **\$155**
1:00 PM - 4:00 PM Heritage Media Center

July 24 - 28

Camp Invention

Give your young innovator an unforgettable adventure! All-new, hands-on activities will launch their imagination and get their confidence soaring as they explore STEM fun from the oceans to outer space. Campers will create a habitat for robotic fish, construct a Spacepack and Astro-Arm, make connections between science and art, and experiment with building a mega marble arcade.

Grades Entering K- 6

Instructor: National Inventors Hall of Fame

Read more about what your camper will do each day at camp and sign up at <https://invent-web.ungerboeck.com/programsearch/moreinfo.aspx?event=39890>.

Mon - Fri, 7/24 - 7/28; **\$285**

9:00 AM - 3:30 PM Prairie Trail

Virtual Reality Developers

Do you love video games, coding, virtual reality or graphic design? This camp is for you! We will be designing our own worlds, characters and experiences, coding our own games and experiencing them all in virtual reality.

Grades 3 - 7

Instructor: TigerLily STEM

#428245: Mon - Fri, 7/24 - 7/28; **\$174**

9:00 AM - 12:00 PM Northeast Media Center

STEM “Camp Out”

Join us for a fun week long “camp out” full of exciting, hands-on camping-inspired STEM activities! We will be learning about astronomy and ornithology, making nature-inspired art, identifying insects, doing building challenges & more! Please wear clothes appropriate for hands-on activities and outdoor games!

Grades 3 - 5

Instructor: TigerLily STEM

#428246: Mon - Fri, 7/24 - 7/28; **\$174**

1:00 PM - 4:00 PM Northeast Art Room

NEW Middle School Theater in the Park

Our very popular Theater in Park will be offering a middle school track! We have been offering this camp for a several years with a lot of repeat students who are aging out! This class will work with middle school themes to create a fun performance.

Students will start to learn the fundamentals of structuring a play and early concepts around writing one. Students will drive the content, production, and artistic components that go into creating and writing a show. For more information please go to www.wagnersummertheater.com.

Grades 6 - 8

Instructor: Wagner Summer Theater

#428045: Mon - Fri, 7/24 - 7/28; **\$175**

9:00 AM - 12:00 PM Northview Auditorium

Coding 2.0

Each {YEL!} Coding class follows four basic components:

- Teach It!...Students learn different coding techniques
- Code It!... Students use Scratch®* to code their own animated story lines
- Explore It!...Students can write their own code, experiment with it and test new options.
- Keep It!...Students can keep their code online with Scratch and can access it and expand upon it at anytime.

Sign up today to THINK, LEARN and PLAY WELL with {YEL!}.

Grades 3 - 6

Instructor: Youth Enrichment League

*Scratch is an MIT created and monitored, kid-safe web interface. It uses a drag and drop programming interface to teach students of all levels coding practices. Your child will receive a Scratch user name and password so they can access their projects from any computer at anytime. Scratch is not affiliated with {YEL!} nor does it endorse this program.

#428334: Mon - Fri, 7/24 - 7/28; **\$162.50**

1:00 PM - 4:00 PM East Lunchroom

Coding Kiddos

Designed for 21st Century learners in grades k-2. Each {YEL!} Coding class introduces kiddos to new coding, animation, and video game design concepts like movement blocks, animation, dialogue, timing, and more. {YEL!} Coding Coaches use Scratch® Junior to guide kiddos through our lessons and create their own animated stories and video games. If your kiddo loves to code or wants to learn, sign up for Coding Kiddos today to THINK, LEARN and PLAY WELL with {YEL!}.

Grades 1 - 3

Instructor: Youth Enrichment League

Registration

ONLINE

Register for classes and access up-to-date class information from the comfort of your own computer at www.ankenyschools.org/community-engagement.

IN PERSON

Monday through Friday, 8:00 am - 4:30 pm. 1102 N Ankeny Blvd, Ankeny IA 50023, card only. Questions can be directed to the Ankeny Community Engagement Department at 515-965-9604 ext 54636.

Pre-registering helps instructors plan for their classes. All classes have size limits and/or have a minimum requirement for the class to be a "go." Please help us avoid the disappointment of class cancellations by registering early. Registration closes three business days before the first day of class.

Confirmation of Registration

Registration is required for all classes and is on a first-come, first-served basis. If registering close to the start date of a class, call or check the website to confirm that space is still available.

Refunds

Refund requests must be made at least three business days prior to the start of class. Registration will be fully refunded if Ankeny Community Schools cancels the class. There are no refunds or discounts for missed classes.

Changes/Cancellations

Occasionally, class locations may need to change. Please make sure your contact information is current so that we may reach you with any necessary changes/updates.

Partial Scholarships

Grant funding makes it possible for the Ankeny Community Engagement Department to offer partial scholarships to students in need on a limited basis. These partial scholarships are available for our youth and parenting courses. Contact the Ankeny Community Engagement Department at 515-965-9604 ext 54363 for more information.

Weather Cancellations

Community Engagement classes scheduled in or at district facilities are canceled if the Ankeny Community School District cancels school for weather or other emergencies. A message will be posted at ankenyschools.org.

Photo Permission

Occasionally photos may be taken of the participants in classes for future marketing. Participants desiring their names/photograph not to be used for marketing must notify Community Engagement in writing at the time of registration.

Hold Harmless

Instructors and participants understand that this course may expose them to some risk and that individuals need to assess their own personal health/fitness to participate in the courses, and thus, instructor or participants are responsible for any medical expense. Participants hold harmless the District and its officials, employees, and agents from and against all claims, liabilities, damages and expenses, including attorney fees and costs.

Ankeny Community School District does not discriminate based on race, color, creed, religion, national origin, sex, gender identity, age, disability, marital status, sexual orientation, physical attributes, physical or mental ability or disability, ancestry, political party preference, military affiliation, socioeconomic status, or familial status. Inquiries or grievances may be directed to Kenneth Morris, Jr. Equity Director, 306 SW School Street, P.O. Box 189, Ankeny, IA, 50021-0189, (515) 965-9600, kenneth.morris@ankenyschools.org; or the Iowa Civil Rights Commission, Grimes State Office Building, Des Moines, IA, 50319-0201, (515) 281-4121; or the U.S. Department of Education, Office for Civil Rights, 500 West Madison Street, Suite 1475, Chicago, IL 60661.
