

Orbis Leadership Team

A stakeholder committee meets quarterly for the purpose of providing input on Orbis work underway, including alignment with [HF2392](#). This team consists of students, teachers, administrators, parents, and business representatives. [Click here to access the agenda and minutes from our November meeting](#), and [click here to access the agenda and minutes for the January meeting](#). Our next meeting is scheduled for Monday, April 9, 2018, from 4:15-5:30 p.m., at Northview Middle School in room 1708/1709. If you are interested in serving on this team, please contact Dr. Jill Urich at jill.urich@ankenyschools.org.

How will the success of Orbis be measured?

The Logic Model Framework ([click here to access link to Logic Model](#)) has been utilized for designing Orbis project-based experience programming and the Orbis Program Evaluation Tool ([click here to access link to Evaluation Tool](#)) provides transparency in measuring its success and making informed decisions for improvement.

21st Century Employability Skills and Work Habits

The [21st Century Employability Skills from the Iowa Core](#) serve as an integral component of project-based experiences in regards to teaching expected behaviors and skills to students. The Work Habits Tool ([click here to access link to the Work Habits Tool](#)) provides common language for the school district and workforce partners in determining students' strengths, areas for improvement, and feedback needed to inform action.
