

ACSD Student Parking Registration

Student Information:

Student Name _____ Grade _____ School _____

Vehicle Information:

Vehicle owner _____

Owner's Address _____

Year _____ Make _____ Model _____

Color _____ License Plate _____

I understand that parking at any ACSD parking lot is a privilege granted by the administration and may be revoked by administration at any time. I agree to follow parking regulations at all times. I understand that if I fail to follow parking regulations my privilege to park on campus may be revoked, and/or my vehicle may be towed at the owner's expense.

Student Signature _____

Parent/Guardian's Signature _____

Vehicle Owner's Signature (if not student or parent) _____

OFFICE USE ONLY:

Sticker # _____ Received by _____ INPUT in IC _____

ANKENY COMMUNITY SCHOOL DISTRICT STUDENT PARKING GUIDELINES

- 1. Parking on any ACSD campus parking lot is a privilege, not a right. Administration has the right to revoke the privilege to park on campus from a student at any time. Administration may at any time deny a student future parking privileges for repeated parking offenses.**
- 2. If a student wishes to park on an ACSD campus they must first register for and display a parking sticker for the current school year. Students will register for a new sticker each year. Stickers for additional vehicles may also be registered.**
- 3. Students may only park in parking spots DESIGNATED FOR STUDENT PARKING. Students may not park in any parking spot that is designated for staff or visitor parking.**
- 4. Students must park within the lines of the designated student spaces. Students are not allowed to park on curbs, drop-off lanes, sidewalks, fire lanes, grass medians, or spaces marked at the end of rows.**
- 5. Students must use caution when driving to and from school and parking. School busses have the right of way and students cannot cut between or pass busses. Students who drive too fast and/or recklessly will lose the privilege to park on campus.**
- 6. Students are not permitted to “joy ride” through parking lots. Students should park their cars immediately when arriving at school and exit the parking lot immediately when leaving school.**
- 7. According to Ankeny Community School District Board Policy 902.12; if a student is parked illegally, administration reserves the right to have the vehicle towed at the owner’s expense.**
- 8. Staff members are permitted to conduct routine patrols of all parking lots. The interior of a student’s vehicle may be searched if there is reasonable suspicion that the vehicle contains illegal, unauthorized, or contraband items.**
