Welcome to Spanish 2! All of this information can be found in the Apuntes Azules that we give to the students during the first week.

Learning a language takes lots of practice. Spanish 2 is a challenging elective offered to ninth graders at Southview Middle School. Students will speak Spanish daily. Two consecutive years of World Language (Chinese, French or Spanish at Ankeny) are required for entrance into any public university in Iowa. Earning a C or better will help ensure your success. **Be prepared to do high school level work.** Spanish is not a requirement at Southview, nor is it a graduation requirement for Ankeny Schools, but it is a fantastic learning opportunity.

We use only assessment scores to determine the grade in this course.

We will use a system of pesos to practice numbers, provide incentives, and encourage responsibility. We will use these pesos at the end of semester for an auction.

Students will earn pesos for being prepared for class, volunteering, participating, and winning competitions. Students will pay pesos/euros for speaking English during « Spanish only », to buy/rent replacement materials, and to use for other activities.

Leave your cell phone and other electronics in your locker and do not bring them to class. We will follow the Southview PBIS matrix for violations.

It's going to be a great year! Señora Dowell
