C. District Attorney Mr. Jeff Krausman: Individual Board Member Questions-Superintendent’s Contract
President Petersen opened with a prepared statement concerning the process that was used to determine the Superintendent’s contract and compensation this year. Outlining the steps that were taken and relating that there were opportunities within that process for Board members to voice objections which were not done until the individual agenda item was discussed at the prior Board meeting. Legal Counsel Jeff Krausman covered the following items:
1. Schools never go into closed session for salary discussions. These are exempt from open meetings and closed sessions per Iowa Law and this is a process the Ankeny School Board follows.
2. Severance payment is not an unfunded liability but may create a contingent liability if the severance clause is enacted.
3. Administrator contracts in the State of Iowa can not be terminated in mid-term without just cause. However, the Ankeny Board of Education has under their Superintendent’s contract additional authority that has the ability to terminate the contract without proving just cause. However, it also includes the severance provisions.
4. The length of the contract is July 1, 2011 through June 30, 2014 a three year period in which the offer was not extended to the Superintendent in that contract until after March 1, 2011 and the termination clause expires October 1, 2013. Director Tracy had several questions for Mr. Krausman who entered into that dialogue. Once completed President Petersen stressed a unified voice into the future as it relates to the Superintendents contract.
