MISSION

The Ankeny Community School District Foundation is an independent, non-profit organization that expands educational opportunities for students by building and distributing funds and by assisting educational organizations within the district striving to further educational excellence.

May I submit an application with a team of teachers?

Yes! Innovation is often accelerated when a team of individuals are collaborating to support each other in providing innovative learning experiences for students.

May I submit more than one grant?

Yes! However, prior grants must be completed prior to new grants being approved.

May my grant include paid teacher time?

No. Your funding partners want to support your work with students through resources you and your students will need to engage in the innovative learning experiences you are creating.

Who may I contact with questions?

Contact your building principal with further questions or need for additional supports. For technical help accessing the grant application, contact: jeff.schumacher@ankenyschools.org
